

Leaving Certificate Art National Seminar Day 1, Online 2021

The first full day seminar is a repeat of the Art Seminar Day 1 which PDST facilitated in Term 1 2020. These seminars are only available to teachers who had booked a place on the original face-to-face seminars in March and April of 2020 but were unable to attend due to Covid restrictions.

This seminar will give teachers an opportunity to:

- interrogate the specification so that they may exercise professional autonomy in their planning and delivery of the subject while ensuring that it meets the needs of their learners and school setting.
- work collaboratively to develop a shared understanding of the teaching and learning outlined in the specification.
