An online introduction workshop
Visual Thinking Strategies (VTS)

Arts in Junior Cycle in collaboration with **Dublin City Council, The LAB Gallery, the Professional Development Service for Teachers (PDST)** and the **National Council for Curriculum and Assessment (NCCA)** are delighted to offer an elective online **Visual Thinking Strategies (VTS)** introductory workshop.

This facilitated workshop will uniquely provide **teachers of all subjects and disciplines** with an opportunity to respond to and discuss an image in a collaborative online space. This online experience will model how VTS supports visual literacy, evidencing observations, engaged discussion and collaboration.

Workshops are from 6.30pm - 7.30pm
