

Celbridge Community School Draft Digital Citizenship and Acceptable Usage Policy

Introduction

This policy is informed by the vision for Celbridge Community School coupled with the school's ethos which aims to enable students to reach their full potential both academically and socially. The policy will reflect the pastoral nature of our school.

Digital Citizenship

Respect Yourself

I will show respect for myself through my actions. I will only use appropriate language and images on the Internet or on the school website / virtual learning environment. I will not post inappropriate personal information about my life, experiences or relationships.

Protect Yourself

I will ensure that the information I post online will not put me at risk. I will not publish full contact details, a schedule of my activities or inappropriate personal details in public spaces. I will report any aggressive or inappropriate behaviour directed at me. I will not share my password or account details with anyone else.

Respect Others

I will show respect to others. I will not use electronic mediums to bully, harass or stalk other people. I will not visit sites that are degrading, pornographic, racist or that the school would deem inappropriate. I will not abuse my access privileges and I will not enter other people's private spaces or work areas. I will respect my peers and teachers by not using technology inappropriately in or out of class.

Protect Others

I will protect others by reporting abuse. I will not forward any materials (including emails and images) that the school would deem inappropriate.

Respect Copyright

I will use and abide by the fair use rules. I will not install software on school machines without permission. I will not steal music or other media, and will refrain from distributing these in a manner that violates their licenses.

Respecting Technology

I will take all reasonable precautions to protect my mobile device from damage. I will always keep it with me or in secure storage when appropriate. I will not tamper with its software or

jailbreak it. I will not interfere with school ICT systems or attempt to bypass school restrictions.

Acceptance

By signing this agreement, I agree to always act in a manner that is respectful to myself and others, in a way that will represent the school in a positive way. I accept that this policy applies in school and outside school. I understand that failing to follow the above will lead to appropriate sanctions being carried out.

Acceptable Usage for Mobile Device

Aim

The aim of this Acceptable Use Policy (AUP) is to ensure that students will benefit from learning opportunities offered by the school's Internet resources in a safe and effective manner. Internet use and access is considered a school resource and privilege. Therefore, if the school AUP is not adhered to this privilege will be withdrawn and appropriate sanctions will be imposed. The AUP should be read carefully to ensure that the conditions of use are accepted and understood.

Policy Provisions

Equipment

Parents are responsible for purchasing the mobile device and Apps for their son/daughter. Parents are also responsible for the safe-keeping, repair and insurance of their son/daughter's mobile device. Parents retain ownership and possession of the mobile device and agree to grant to teachers and school management the right to collect and/or inspect and/or confiscate (for a limited period) the mobile device at any time and the right to alter, add or delete installed software or hardware. Usage, within the school is a privilege and not a right. Students may lose their right to use the mobile device and to have it in their possession if they abuse their responsibilities and breach this or other school policies.

Substitution of Equipment

In the event that a student's mobile device is inoperable, the school will **try** to provide a spare mobile device for use while the student's mobile device is repaired or replaced. This agreement remains in effect for the substitute mobile device. However, only one substitute mobile device will be provided to a student at any one time. If a student damages, forgets to bring this replacement mobile device to school, or comes to school with it uncharged, a substitute will not be provided.

Damage or Loss of Equipment

Students must report any damage or loss to their Caomhnoir who will determine necessary action. All mobile devices are covered by a manufacturer's warranty of one year. The warranty covers manufacturer's defects. If a mobile device is lost or damaged by neglect or misuse it is the family's financial responsibility to replace the mobile device. If a mobile device is damaged, the school will work with the student and supplier to resolve any warranty issues.

Standards for 1:1 mobile device care - Parental Responsibilities

- Parents should inspect the mobile device each evening to ensure that it is in good working order.
- Parents should report, immediately, any damage, interference or issues relating to ownership, possession or use of the mobile device to school management.
